The undersigned officer contacted Task Force Officer Brad Richmond, assigned to the FBI Spokane Violent Crime Task Force. He responded and read the defendant her constitutional rights, which she waived and agreed to answer his questions. She admitted that the substance recovered was methamphetamine, and that the amount in the large bag was 1 oz. Further, she stated that amount sold for approximately \$1400. During the interview, she volunteered to the undersigned officer that she was not using the methamphetamine, but only selling it.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
